

CONTRACTOR QUESTION: Should we fill out the bid sheets on pages 25, 26, and 27 of the solicitation and what should we enter for the bid price CLIN 0001 on page 3?

GOVERNMENT ANSWER: Fill out the bid sheets on pages 25, 26, and 27 of the solicitation. Do not enter anything for CLIN 0001 on page 3. The government will fill that in upon award in the amount of \$90,000.00, which is the maximum ceiling value of the contract.
